Product	Buggy's TV Guide: Export to Twitter
---------	-------------------------------------

Date	2/12/2015		
Author	James Ross Miskovich		
Moderator			
Inspectors	Austin Rauschuber		
Recorder	Austin Rauschuber		
Defect #	Description	Severity	How Corrected
1	else if statement off by two for concatenating "and" to twitter statement	2	Changed "i-1" to "i+1"

Product	Buggy's TV Guide: Search Window		
Date	2/12/2015		
Author	Austin Rauschuber		
Moderator			
Inspectors	Brandon Vickrey		
Recorder	Brandon Vickrey		
Defect #	Description	Severity	How Corrected
1	Unnecessary constructor that was being unused	3	Removed the constructor
2	The Details button would crash if you tried to click it with nothing selected	1	Created an if statement to catch that behavior and added a JOptionPane message dialog if you tried to do so.

Unit Testing

Product	Buggy's TV Guide: Search Menu		
Date	2/12/2015		
Author	Austin Rauschuber		
Moderator			
Inspectors	Austin Rauschuber, Brandon Vickrey		
Recorder	Austin Rauschuber		
Defect #	Description	Severity	How Corrected
1	Search results undescriptive due to lack of meaningful information beyond show name	2	Added show overview to search results
2	Search results longer than given window space	3	Added scroll bars to search pane
3	"Go to Show" button smaller than contained text	3	Increased size of button and changed text to "Details"
4	Format didn't match other windows	3	Changed GUI formatting
5	Window displays exactly on top of previous window	3	Moved window display position

Product	Buggy's TV Guide: Popup Window		
Date	2/12/2015		
Author	Michael Lee		
Moderator			
Inspectors	Brandon Vickrey, Michael Lee		
Recorder	Brandon Vickrey, Austin Rauschuber		

Defect #	Description	Severity	How Corrected
1	Description of show was on one line	3	Changed the JTextBox to a JTextArea which allows line wrapping.
2	Add button wasn't closing the popup window	3	Added a close event upon clicking the add button
3	Show title was being cut off if it was too long	3	Increased the width of the JLabel
4	Popup displayed incorrect title	3	Set title to series name
5	Popup was covering other windows when opening	3	Repositioned window's position upon opening
6	Description formatted as an editable text box	2	Changed to non-editable format

Product	Buggy's TV Guide: Find Upcoming Episode for Show		
Date	2/12/15		
Author	Joe Swanson		
Moderator			
Inspectors	Mitchell Hanberg, Joe Swanson		
Recorder	Joe Swanson		
Defect #	Description	Severity	How Corrected
